Planning Approval to allow a high voltage transmission line across a residential area.

Dear Applicant(s):

At its meeting on July 8, 2010, the Planning Commission considered for Planning Approval the site plan to allow a high voltage transmission line across a residential area.

After discussion, the Planning Commission heldover the application until the July 22, 2010 meeting, so that the following information could be submitted for review by the Planning Commission:

1) **discussion of the Cody Road option, including feasibility information; and**
2) **discussion of the ecological issues associated with the Milkhouse Creek route.**

If you have any questions regarding this action, please call this office at 251-208-5895.

Sincerely,

MOBILE CITY PLANNING COMMISSION
Dr. Victoria Rivizzigno, Secretary
