RE: Grant for Bald Cypress and Sweetbay Magnolia Trees
City of Mobile Project #PR-090-16
Taylor Park

To Whom it May Concern:

I am writing to request that the Mobile Tree Commission consider assisting with the provision of seven (7) Bald Cypress and four (4) Sweetbay Magnolia trees to be planted within the boundaries of Taylor Park. The Bald Cypress' will be planted along the North perimeter of the park to help screen the park from adjacent industrial buildings. The trees will be 2.5 caliper and spaced approximately 30 feet apart. The Sweetbay Magnolias will be planted to provide shade for two (2) new seating areas, along the new walking trail. The Magnolia trees will be 2.5 caliper and spaced approximately 20 feet apart. (Please see attached plan layout.)

The cost will be $300.00 per tree, including labor and materials. We are requesting a $3,300 donation from the Mobile Tree Commission to offset the costs of the trees.

If you should have any questions, please call me.

Sincerely,

Kimberly Harden
