APPLICATION FOR CRC REVIEW

CONFLICTS WITH OTHER CITY DEPARTMENTS

The Consolidated Review Committee (CRC) examines applications solely on the basis of compliance with the Downtown Development District Code. Approval by other City Departments may consider other aspects of a project such as safety. When multiple regulations are in conflict, generally the most restrictive applies. Also, though the staff and CRC try to inform applicants of possible conflicts, they may not be aware of all the implications of a request. Therefore, the property owner should clear all requests with the appropriate departments.
